Ladder Platforms International, Inc.
P. O. Box 344
Oak Hill, WV 25901

Dear Sirs:

This letter is to compliment you on the Stan-E-Z Ladder Platform. I have recently tried it on different ladders while working at my home and have found them to be very easy to apply and use. I feel that this platform definitely offers a great degree of safety as compared to standing on a simple ladder rung and also reduces foot and leg fatigue.

Sincerely,

Donald C. Newell, Jr., D.O.
